Meta Front-End Developer

Professional Certificate

- Software Village

Front-End Bootcamp With React

## SKILLS

Languages:

- HTML
- CSS
- JavaScript

Libraires:

- React

Frameworks:

- Node.js

## PROFILE

I specialize in responsive design and am proficient in HTML5, CSS3, JavaScript, and modern frameworks like React. My design sensibility, combined with my technical skills, enables me to translate complex design challenges into seamless web solutions. Passionate about learning and development with a desire to apply skills on the teams. Eager to tackle more complex problems and continue to find ways to maximize user efficiency.

## WORK EXPERIENCE

FRONT-END WEB DEVELOPER

### Software Village

*December 2023 - February 2024*

- Provided technical support during the testing phase of web projects.
- Ensured W3C compliance by validating HTML and CSS code against standards.
- Integrated third party services into website using API integrations.
- Researched new tools and techniques that could be used to enhance customer experience online.
